- Willingness to learn and develop frontend development skills
- Fluency In English
- User-focused Front-End Developer with eye for design and deep understanding of usability goals. Perfectly marries functional requirements and creative elements to produce optimal interfaces. Skilled at managing time, projects and resources to accomplish development goals.

EXPERIENCE

MAY 2022 - OCTOBER

WEB DEVELOPER, TORILO ACADEMY, IKEJA

During my tenure **Torilo Academy**, Ikeja, I served as both a web developer and a web development instructor. In this role, I taught over 50 students, helping them to master various aspects of web development. My experience at Torilo Academy was highly rewarding, allowing me to refine my teaching skills and share my expertise. However, I ultimately decided to leave in pursuit of further career progression and new opportunities in the tech industry.

DECEMBER 2023 – APRIL 2024

WEB DEVELOPER & DESIGNER AND AN INSTRUCTOR, FLIP TO TECH ACADEMY, JAKANDE ESTATE

During my term at **Flip to Tech Academy**, Jakande Estate, I served as both a web developer and a web development instructor. I had the privilege of teaching over 100 students, imparting essential skills and knowledge in web development. The experience was incredibly rewarding, thanks in large part to the expertise I gained from my previous role at Torilo, which proved invaluable. At Flip to Tech, I spearheaded numerous successful projects, including the development of the academy's official website, fliptotech.ng. Additionally, I supervised several student projects, ensuring their successful completion and fostering a

collaborative learning environment.

EDUCATION

2020 - 2024

BACHELOR OF COMPUTER SCIENCE, UNIVERSITY OF IBADAN, IBADAN

The Computer Science course at the University of Ibadan is designed to provide a comprehensive understanding of computing principles and practices. It covers a wide range of topics including programming, algorithms, data structures, computer architecture, software engineering, and more.

2013 - 2019

SECONDARY SCHOOL EDUCATION, OLURUNFUNMI GRAMMAR SCHOOL, IDIMU

It was great and Awesome being there for few months, I was given the role of an intern developer when i was done with my term over there.
